Ocean Liner Curator – Reproduction Taxonomy

Types
Souvenir reproductions; commemorative reissues; decorative reinterpretations; outright fakes.

Era Clusters
1930s–50s memorial items; 1970s–90s nostalgia reproductions; modern digital prints.

Common Tells
Paper stock; printing method; anachronistic fonts; artificial aging.

Classification
Clearly distinguish reproduction, later issue, and fake.

Principle: Reproduction does not equal deception, but must be labeled.
